Applicants should complete all sections of the application. There are a number of bursaries available to cover the registration fee for the conference. Have you attended a previous conference? Yes No

Why do you feel you should be considered for a bursary to attend the 2023 Conference? Please be specific to help in making these funding decisions as there are limited bursaries available.

PLEASE CHECK ONE:

- I am applying for a full bursary to cover the \$300 registration fee to attend the conference, and would be unable to attend the conference without a bursary.
- I could consider a partial bursary, to cover a portion of the registration fee and still be able to attend the conference.
