CANCER CARE FOUNDATION
NEWFOUNDLAND & LABRADOR

A DAY TO CELEBRATE!

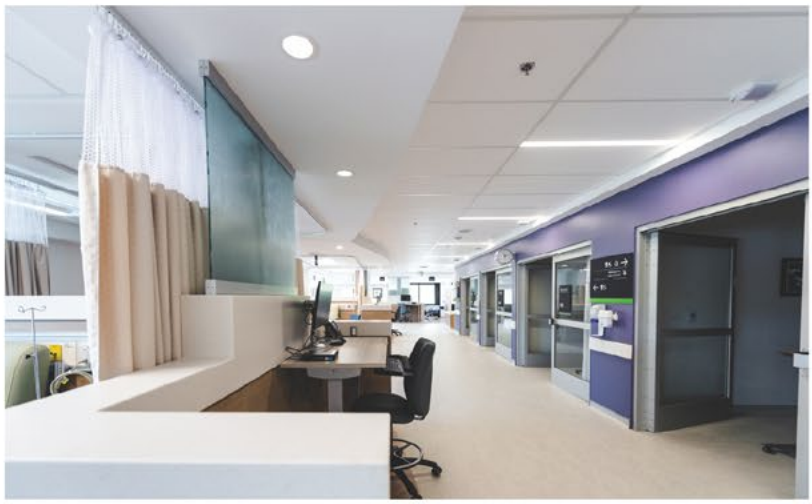
On June 20th we celebrated the Grand Opening of the new Chemotherapy Unit at the Cancer Centre in St. John's. We were honored to welcome many of the *In This Together* campaign donors and show them the impact of their generosity. It was a wonderful day of celebration shared with donors, project partners from the Government of Newfoundland and Labrador and NL Health Services, staff and friends from fellow community organizations.

The Chemotherapy Unit in Pictures

1 Chemotherapy recliners in the unit's new pod structures next to a piece of art from artist Michael Gough, donated by the Patten Family Foundation.

2 A patient bed in the new chemotherapy unit. The unit's design made use of the natural light in the patient care areas to create a bright and welcoming atmosphere for patients and families.

3 The pod structures allow nursing staff to clearly observe all of their patients. Individual patient treatment rooms (on the right) are a new addition to the unit.



4 The individual patient rooms provide isolation and treatment for very unwell patients.

Golfing Fore Hope

On July 31st, we ventured out to the golf course for our first Golf Fore Hope Charity Golf Tournament fundraiser.

It was a great day and $95,000 was raised for the Patient and Family Support Fund. Our thanks to the participants and sponsors for helping cancer patients experiencing financial distress, and our Golf Fore Hope Planning Committee for their hard work.

The 2023 NL Cancer Conference for Women

Building on the success of the Annual Breast Cancer Conference, this year's conference is expanding to include all cancer types. Any woman across Newfoundland and Labrador who has received a cancer diagnosis can participate, regardless of when they were diagnosed.

Now called the ***2023 NL Cancer Conference for Women***, the conference will take place from November 17-19, 2023 at the Sheraton Hotel in St. John's. The theme for the conference will be ***Growing Our Strength*** and will feature two full days of education and inspiration in the most supportive atmosphere, surrounded by those who truly understand how a cancer diagnosis can change your life.

For more information on the conference, visit our website: **www.cancercarefoundation.ca**

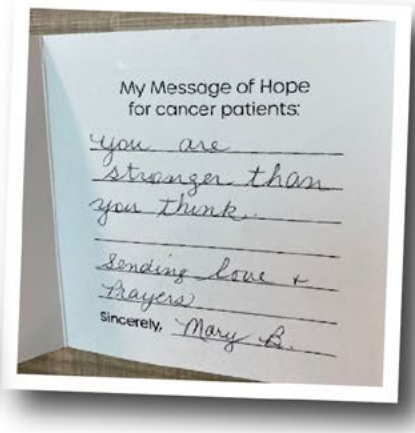
Messages of Hope

Thanks to all who responded to our Spring Appeal by sending in your donations, and Messages of Hope. Hundreds of messages lined the hallway in the main entrance just outside the Foundation offices.


We are always moved by the kind and inspiring words from our donors to cancer patients. Thank you to all who donated and took the time to send in a message and brighten the day of the patients and supporters who read them!
